

## **GRADUATE ACCOUNTANT**

An exceptional opportunity exists for a dynamic accounting graduate to join our Business Services team and take the first step in their accounting career.

The successful applicant would have completed a university degree accredited by the ICAA with above average academic results and have good technical, organisational and interpersonal skills. Sound computer skills are also essential.

You will be provided with excellent on-the-job training and be supported throughout your postgraduate training to become a CA.

In return for the above skills you will be rewarded with a varied and challenging position, attractive salary and employment benefits and the opportunity to join this diverse organisation.

Applications should be forwarded to [resume@shakes.com.au](mailto:resume@shakes.com.au) and should include a resume and a detailed university record.

**If you want to be part of a dynamic, motivated professional team, Shakespeare Partners is for you."**
